

PAT'S OFF THE BEATEN PATH RESTAURANT REVIEW VOLUME XXIII

March 2010

Restaurants off the beaten path are my favorite!

Brookside is home to a lovely little Italian grocery & deli located at 6229 Brookside Blvd. **Bella Napoli Alimentari** is sandwiched between its **Coffee Bar** to the south and **La Cucina Di-Mamma** to the north. These are gems of the Kansas City dining scene. Jake Imperiale and his personnel are always welcoming hosts. Bob, a friend of Jake, and seemingly a friend of everybody, is there on Saturdays. He welcomes one and all as if he's known them his whole life; perhaps he has! **Bella Napoli's Coffee Bar** is my hang-out for a weekend **Cappuccino**.

La Cucina Di-Mamma is a marvelous restaurant. My children especially love the delicious breads, wonderful pastas, and most of all, those great pizzas! The deli and grocery offer sandwiches, salads and other great authentic Italian items. I really enjoy **Bella Napoli**. I'm transported to **Italia** when I'm enjoying my day here whether inside with like minded patrons or out on the sidewalk collecting my thoughts with a great (the best in town) **Cappuccino**... Check it out.

I'm a proponent of **patronizing locally owned businesses**. Supporting this establishment or one of the many other Kansas City owned and operated businesses is a great way to boost our local economy.
